Docket No. 1745-003

AMENDMENT

An error in numbering of the claims has been corrected. The papers that applicant has indicates that the application originally had 61 claims, and the revised 'AMENDMENT TO THE CLAIMS' REFLECTS THAT UNDERSTANDING. If that understanding is not correct it is respectfully requested that applicant be advised of the true number of original claims, all of which are meant to be cancelled, so that an accurate "AMENDMENT TO THE CLAIMS" can be provided.

The submitted specification contains no new matter. See the second paragraph of the "REMARKS" in the Amendment of June 30, 2004.
